“ *I don't know where to begin but, I've known Dave and met his beautiful wife when I was younger. You want a picture of 2 ppl that love each other.... That is Dave and Tracy. We used to hang at the \"House of Fun\". And fun it was esp. with all of the jokes and laughter at Kevin Mundy's house many, many moons ago. I last saw Dave on 4th of July last year and made a point to make it to Kevin's house so I could get some homemade t-shirts from their beautiful, sweet daughter Alicia...Alicia had left already but, Tracy still had some of her stuff to sell. And of course, Tracy had that gorgeous smile on her face and Dave making jokes as usual... I see Alicia almost every day at her work and she is always smiling just like her beautiful mom and dad. My love goes out to Tracy, Alicia, and everyone suffering from his untimely loss. You made such an impact on everyone you ever met and were around and we will always have a flame burning for you... Until we meet again....*

“ Deepest sympathy to David's family and friends, as losing your loved one brings sadness and heartache. There are never words able to express the pain in losing a husband, father and son - one so young and special to his family. May your memories and love comfort you and your faith surround you - always.

“ Wow, what to say. Dave was a huge personality with a totally off the wall sense of humor who was always entertaining and caring. He loved sharing a good story, loved joking around, loved his guns, loved his friends and loved his smoke. His greatest love was for his wife and daughter. He didn't hold back when he spoke of how special Tracy was to him or how much love and pride he had for Alicia. I've had the pleasure of knowing Dave for a number of years and I know I will never forget him.
 Prayers Dave, for you and those you leave behind. RIP

“ I worked with Dave from 2009 to 2017 at Modernistic. He always made work much more enjoyable. The good times I had with him when we worked together I will cherish. He recently came to my new house last year and he was the same Dave I remember from all the years working together. My thoughts and prayers go out to his family during this difficult time.
