“ I'm so sorry on the loss of your loved one, Randell (Red). He must have been a really great person, there are so many nice stories and things said about him here by others! I know he will be dearly missed! I have lost many loved ones in death, and know quite well the pain this causes. These Bible scriptures have comforted me: Acts 24:15 says that there will be a resurrection; Revelation 21:4 says that one day pain and death will be gone forever. I hope this comforts you.

“ Robert Zahler Red you were a great neighbor and friend. I would cooked up some green peppers and not put rice in them , corn which we would share for lunch. He would give me a shot of whiskey, and say that the bottle was for me only. We would talk about the time he spent in the Pacific during the war. And living in Highland Park with his family before he moved to Clawson. Going to the Hot Dog Restaurant on Victor St, if you order 4 dogs you got the 5th one free. Red allways shared his vegetables from his garden , grew the BIGGEST Tomatoes, and Zucchini I ever saw. I would slice up the Zucchini in a pan and fry it and before I got it to the plate I would of already eaten half of it. I Honor your memory Red by remembering the man that you were, and celebrate your life, memories, and the legacy you leave behind.

“My precious Uncle Landow my grandma Grace little brother . Ill miss him dearly and never forget how kind and funny he was . He was one of my favorite uncles and i only wished i spent more time with him . My Grandmother loved her little brother so much and when i would spend my summers in Tennessee she would always talk about him with us kids . It seemed like everytime i seen him he had his overalls on so even though he lived in Michigan for so long his heart was in Tennessee . Ill forever miss my Great Uncle , God Bless you Uncle Landow Paul Carver
